BIOGRAPHY

Anastasia is a health empowerment conversationalist with 30 years in the healthcare profession! She has been on YouTube every week since 2009, contributed to consumer-faced publications such as Romper, She Knows, Reviews.com and Bustle and Speaker Magazine in addition to industry publications. Her addiction to coffee lead her to brand Coffee Chat TM with Anastasia, a talk show feel that delivers rich content sound bites served up LIVE or in a video blog format. Anastasia's programs share how to align your emotional, physical and financial health, lead a more productive life, successfully take the wheel and pick a lane to thrive in it.

TESTIMONIALS

Anastasia is the absolute best mix of eloquence and professionalism on stage, while presenting SPECIFIC and applicable concepts in which attendees can immediately implement. So wonderful and powerful! Thank you, Anastasia!

ANDY MASTERS, MA, CSP

"Anastasia Turchetta gave a wonderful presentation at our AAOSH Annual Scientific Session in Dallas, TX, last September.

She had the entire audience of 400+ attendees totally engaged and enthused. Anastasia is full of energy and will captivate, inform, and motivate any crowd that has the pleasure of hearing her.

DR. MICHAEL MILLIGAN

President, American Academy for Oral Systemic Health

Anastasia has a way of captivating her audience like no other.

She speaks with poise, elegance, and affirmation to create a powerful message that will leave you with a positive impact and motivation to be your best self. It truly is a pleasure to learn from her as you begin to see things from a perspective that will make you grow as a person.
